SUMMARY

I am currently working as a Web Developer at PT Senja Solusi, specializing in web application development. I am skilled in **HTML, CSS, SCSS, JavaScript, TS, jQuery, Vue.js**, and **React.js** for front-end, **Express.js** for back-end, and **PHP** for dynamic applications. I also have experience with **PostgreSQL** for database management. Previously, I attended the **Web and Mobile Incandescent Boot Camp**, where I strengthened my web and mobile development skills. I am capable of building responsive, high-performance web applications and can work both independently and as part of a team.
